- A minimum of four items is required to report results for an objective, and six items are required to report for a standard.
- Percents are approximations and may result in a sum other than 100 due to rounding.
- First column represents the standards and objectives in *PASS* assessed on the Oklahoma Core Curriculum Tests (OCCT).
- Second column represents the goal for aligning the OCCT to the *PASS* standards and objectives.
- Process skills will be content-based and reported under each of the Content Standards.
